Leonard C. Heath Jr. served as president of the VSB from June 17, 2018, until June 16, 2019. Mr. Heath was the first VSB president from the Peninsula since William O. Prince was president from 1978 to 1979. A private practitioner in Newport News, his year as VSB president has been focused on lawyer wellness, after [a landmark report was issued](#) by the National Task Force on Lawyer Well-being in August 2017, entitled "The Path to Lawyer Well-being: Practical Recommendations for Positive Change." As a result of Len's leadership, numerous rule changes in the disciplinary rules and the

MCLE rules have been made affecting how the VSB regulates lawyers who are having problems with their health.

In addition to these efforts, Len created the President's Special Committee on Lawyer Well-Being, which focused its efforts on identifying the occupational risks for lawyers. [This landmark report takes a global view](#) of the risks associated with the practice of law. It identifies each risk and provides recommendations to individuals and organizations on how to avoid, or at least minimize, the risks.

### **Rule Changes and LEOs Approved by the Supreme Court of Virginia- FY 2019**

Effective October 31, 2018, [the Court approved proposed Comment \[7\] to Rule 1.1 of Professional Conduct \(Competence\)](#). The proposed comment states that the maintenance of mental, emotional and physical ability is an important aspect of maintaining competence to practice law.

Effective November 8, 2018, the Court approved [LEO 1885](#), Legal Matchmaking Services, and [LEO 1889](#), Duty to Appeal Termination of Parental Rights Cases When Client Is Missing.

Effective December 1, 2018, the Court approved a new provision, [Paragraph 22](#), that requests each active VSB member report their pro bono hours and/or financial contribution in support of pro bono legal services on their annual dues statement. The requirement complements the aspirational goal of Virginia Rule of Professional Conduct 6.1 that each lawyer should render at least two percent of professional time annually to pro bono legal services.

By Order entered December 12, 2018, [the Court rejected revisions to Rule 1.10, imputed disqualification](#).

Effective January 1, 2019, the Court approved two amendments to Paragraph 13. [The first facilitates "retirement with dignity" for a lawyer suffering from irreversible cognitive decline and allows transfer to the Retired/Disabled class of membership in lieu of an impairment suspension. The other amendment allows the Office of Bar Counsel to](#)

[furnish confidential information to an approved Lawyer Assistance Program to accelerate help to lawyers who need it.](#)

Also, effective January 1, 2019, the Court approved related amendments to Paragraph 13: (1) [a change to the definition of “Costs” to allow the assessment of guardian ad litem fees by the Clerk of the Disciplinary System if the Disciplinary Board chooses to assess such costs in its discretion;](#) (2) [a change to the impairment rules allowing the bar to dismiss pending cases upon a finding of impairment or a transfer to the disabled and retired class of membership under the new “retirement with dignity” rule;](#) and (3) [adding a definition for “Lawyer Assistance Program.”](#)

Effective February 15, 2019, [the Court approved amendments to Rule 1.8\(e\)\(1\) of Professional Conduct.](#) The amendments allow attorneys to advance court and litigation expenses and to condition repayment on the outcome of the case, and to pay such costs on behalf of indigent clients.

At the October 2018 meeting Council considered a proposal to amend the rules under which the Virginia Lawyer Referral Service operates. The **VLRS rule amendments** were approved by the Supreme Court of Virginia on April 9, 2019. The rules will become effective July 1, 2020. [https://www.vsb.org/pro-guidelines/index.php/rule\\_changes/item/revisions\\_to\\_UPL](https://www.vsb.org/pro-guidelines/index.php/rule_changes/item/revisions_to_UPL)

On April 26, 2019, the Supreme Court of Virginia approved the proposed rewrite of the **unauthorized practice of law rules**, which will become effective July 1, 2019.

Effective July 1, 2019, [the Court approved revisions to Part 6, §I of the Rules of the Supreme Court of VA on the unauthorized practice of law:](#) (1) Paragraph 3.A. Exceptions, was amended by the addition at the end of the paragraph to include non-lawyers or paralegals employed by legal aid societies; and (2) Paragraph 5.D, Comments, was amended to correct the reference to Paragraph 3(Q) to Paragraph 3(R).

Also, effective July 1, 2019, [the Court approved amendments to Paragraph 17 regarding MCLE.](#) Beginning in the November 2019 through October 2020 MCLE compliance period, revised Paragraph 17 requires active members to affirm that they have attended at least one hour of lawyer well-being education within the past three (3) years. Members will be required to provide this information during the end-of-year reporting process for the period ending October 31, 2020, and annually thereafter. Failure to comply with this requirement will **not** subject the member to the penalties set forth in Paragraph 19.

### **Matters still pending before the Court**

Comment 5 to Rule 3.8(d) – Additional obligations of prosecutors

Council approved a revised version of proposed Comment 5 by a vote of 47 to 13. The petition was filed with the SCV in March 2019, and subsequently the Supreme Court of Virginia requested public comment on the proposal with a comment deadline of May 21, 2019. [The petition is available on the VSB website.](#) As of the date of this report, June 18, 2019, no action has been taken on Comment 5 by the Court.

### **Matters to be filed with the SCV from the June 2019 Council meeting**

The Standing Committee on Legal Ethics proposed three items that were approved by Council at its meeting on June 13, 2019 and will be presented to the Supreme Court of Virginia for approval:

**LEO 1872**– Virtual law office and use of executive office suites. The proposed revisions to update references to Rule 1.6(d), on a lawyer’s duty to protect confidential information, and Rule 7.1, on advertising; the revisions also remove references to former Regulation 7 Governing Applications for Admission to the Virginia Bar Pursuant to Rule 1A:1 of the Supreme Court of Virginia since that regulation has been modified and no longer requires that lawyers admitted to practice by motion maintain a physical office space. The proposed revisions also modify the discussion of when a lawyer may advertise a non-exclusive office space as a location of the firm. The revisions remove the “factors to be considered” in making that determination, which currently include frequency of use, whether nonlawyers use the space, and whether signage indicates that the space is used as a law office. Thus, the analysis in the opinion is narrowed to the question of whether the advertised location is an office where the lawyer provides legal services, and whether the advertised location is being used to mislead prospective clients that the lawyer’s practice or firm is more geographically diverse or larger than is actually the case. This revision conforms the LEO with revisions made to LEO 1750 (approved by the Supreme Court of Virginia), which refers to and cites LEO 1872 excluding these two sentences.

**LEO 1750**– Advertising compendium opinion. The proposed revisions to this LEO remove citations to now-withdrawn Lawyer Advertising Opinions (LAOs) 0101, 0102, 0104, 0105, and 0113. The Committee withdrew those LAOs, along with seven others, on August 1, 2018, because they were obsolete, superseded by amendments to the Rules of Professional Conduct, or restated in whole or in part in LEO 1750. The proposed revisions also include a substantial revision to section B of the LEO, on the use of the phrase “no recovery, no fee.” Effective February 15, 2019, Rule 1.8(e) is amended to allow a lawyer to make the repayment of advanced costs and expenses of litigation contingent upon the outcome of the client’s matter; therefore, it is no longer per se misleading for a lawyer or law firm to advertise that a client will pay nothing if there is no recovery. The LEO has been revised to reflect that fact, though it will still be misleading to advertise “no recovery, no fee” with no additional clarification if the lawyer or law firm may or will require the client to remain responsible for the costs and expenses of litigation.

**Rule 4.4(b)**– Receipt of inadvertently disclosed information. The proposed changes to the Rule add paragraph (b), which codifies the guidance currently found in LEO 1702 regarding a lawyer who receives privileged information that was inadvertently sent. Specifically, paragraph (b) requires that a lawyer who receives information relating to the representation of the lawyer’s client and who knows that the information is privileged and was inadvertently sent must immediately terminate review or use of the information, promptly notify the sender, and abide by the sender’s instructions, if applicable, to return or destroy the information.

**LEO 1890** was withdrawn from consideration.

**Paragraph 13** changes were proposed and passed unanimously by Council at its June 13, 2019 meeting. The Virginia State Bar’s Standing Committee on Lawyer Discipline proposed the amendments to Paragraph 13 of Part 6, Section IV of the Rules of the Supreme Court of Virginia in order to: (1) clarify and enhance the transparency and uniformity of the VSB’s disciplinary process while protecting the confidentiality of medical, psychological, treatment, and other sensitive information in public disciplinary

proceedings; (2) eliminate two “dismissal” sanctions that create a disciplinary record; and (3) ensure the rules are consistent with procedure and practice. Specifically, the proposed Paragraph 13 rule changes will achieve the following if approved by the Supreme Court of Virginia:

**Convert Dismissals De Minimis and Dismissals for Exceptional Circumstances from Disciplinary Sanctions to Outright Dismissals which do not Create a Disciplinary Record (13-15 and 13-16)**

Elimination of “Dismissals De Minimis” and “Dismissals for Exceptional Circumstances” as disciplinary sanctions is proposed because the terminology is misleading to the public, complainants, and respondents. These misnomers perpetuate confusion as to whether a sanction has actually been imposed.

The amendments incorporate the elements of Dismissals De Minimis and Dismissals for Exceptional Circumstances as bases for outright dismissal of complaints at the Subcommittee stage. Similar to the existing [limitations on private discipline](#) at Paragraph 13-7.E, the amended Paragraph 13-15 places presumptive limitations on dismissing cases for de minimis violations and exceptional circumstances.

**Revised Definition of Admonition (Paragraph 13-1)**

These revisions set Admonition as the lowest disciplinary sanction, thus conforming Virginia to the vast majority of other jurisdictions and the ABA’s Model Rules of Disciplinary Enforcement. The revised definition of Admonition expands the bases for the imposition of that sanction to include similar factors previously considered for Dismissals De Minimis and Dismissals for Exceptional Circumstances.

**Confidentiality of Disciplinary Records and Proceedings (Paragraph 13-30)**

The proposed amendments to Paragraph 13-30, consistent with the public’s general right of access to non-confidential information, accomplish the following: (1) promote transparency by providing a presumption of open records, hearings, determinations imposing public discipline, and all orders of license suspension, (2) clarify the proceedings and records that are confidential, and (3) create a new mechanism for parties to seal sensitive information, such as medical, psychological, or treatment information, for good cause shown.

**Clerk’s Duties to Publicize Sanctions (Paragraph 13-9), the Requirement of Summary Orders in District Committee Proceedings (Paragraph 13-16), and District Committee Filings with Clerk (Paragraph 13-16)**

Paragraph 13-9 delineates the duties of the Clerk of the Disciplinary System to maintain dockets, retain records, and publicize public sanctions. The amendments designate the Clerk to receive District Committee filings, consistent with Disciplinary Board proceedings and the Clerk’s status as official custodian of the records of the disciplinary system.

The amendments also require District Committees to issue a Summary Order upon conclusion of a hearing, consistent with the Disciplinary Board and three-judge Circuit Courts. Finally, the amendments clarify the Clerk’s duties to notify the public, courts, and other jurisdictions of sanctions imposed upon issuance of a Summary Order.

These proposed revisions seek to protect the public by ensuring prompt dissemination of public sanctions and uniformity in disciplinary proceedings.

#### **Subcommittee Members Who Considered Complaint May Not Serve on District Committee Hearing Panel (Paragraph 13-4)**

This amendment provides that Subcommittee members who considered a Complaint will not participate in any District Committee hearing, consistent with the existing rule disallowing Board members who consider and reject an agreed disposition from serving on the hearing panel. This change will instill greater integrity and fairness into the District Committee hearing process.

#### **No Appeal from Agreed Dispositions at the Board Level (Paragraphs 13-6 and 13-26)**

This proposal likewise ensures uniformity by clarifying that no appeal will lie from Agreed Dispositions at the Board level, consistent with Agreed Dispositions at the District Committee level.

#### **Revise “Disciplinary Proceedings” to Exempt “Impairment Proceedings” (Paragraph 13-1) and Related Amendments (Paragraphs 13-1.1 and 13-6.F)**

Impairment proceedings are not disciplinary in nature. The purpose of Impairment proceedings is to determine whether the respondent is physically and mentally fit to practice law. While the bar does not treat Impairment proceedings as a disciplinary matter, these amendments explicitly exempt Impairment matters from the defined term “Disciplinary Proceedings” to further clarify the non-disciplinary nature of those proceedings.

#### **Clarify that the Clerk Determines Compliance with Prerequisites for Reinstatement After a Disciplinary Suspension of More than One Year (Paragraph 13-25.D)**

Paragraph 13-25.D requires lawyers who have been under a disciplinary suspension for more than one year to meet certain requirements before seeking reinstatement of their law license. This amendment clarifies that the Clerk determines compliance, consistent with the Clerk’s existing duty to determine compliance with the prerequisites for reinstatement following revocation. (Paragraph 13-25.E).

#### **Housekeeping Amendments**

Paragraph 13 is revised throughout to clarify and simplify language as follows:

- Amend Paragraph 13-1 definition of “Private Discipline” to clarify that Private Discipline means any form of discipline that is not public.
- Revise definition of “Clerk of the Disciplinary System” to clarify the scope of the records of which the Clerk is the official custodian and allow for the use of the shortened “Clerk” throughout Paragraph 13.
- Amend Paragraph 13-1 definition of “Disciplinary Record” to include any proceeding, in this or any other jurisdiction, which resulted in a sanction and clarify that Disciplinary Record does not include interim or summary Suspensions (such as suspensions for failure to comply with bar subpoenas, show cause suspensions issued in criminal conviction and reciprocal proceedings, and impairment suspensions).

- Replace “Disciplinary Rule” and “Disciplinary Rules” with “Rule of Professional Conduct” or “Rules of Professional Conduct” when referring to specific provisions of the Rules of Professional Conduct (Paragraphs 13-5, 13-7, and 13-30).
- Clarify “Disciplinary Record” as an appropriate factor in assessing sanctions (Paragraphs 13-16 and 13-18), as opposed to the overly broad “Disciplinary Proceedings” currently used.
- Clarify language regarding persons ineligible for appointment in the Disciplinary System (Paragraphs 13-4 and 13-6).
- Implement use of “this Court” when referring to the Supreme Court of Virginia.

### III. Appeals Decided by the Supreme Court Of Virginia

On July 18, 2019, the Court unanimously upheld a three-judge panel’s findings that **Joseph D. Morrissey** violated Rules of Professional Conduct 5.1(b) (requiring a lawyer having direct supervisory authority over another lawyer to make reasonable efforts to ensure the lawyer’s behavior conforms to the Rules of Professional Conduct), 5.5(c) (prohibiting a lawyer from practicing law in violation of the regulation of the legal profession), and 8.4(b) (professional misconduct for a lawyer to commit a criminal or deliberately wrongful act that reflects adversely on the lawyer’s honesty, trustworthiness or fitness to practice law). The Court affirmed the revocation of Morrissey’s license.

On September 6, 2018, in **Roberts v. Virginia State Bar**, 296 Va. 105, 818 S.E.2d 45 (2018) the Court held the Virginia State Bar Disciplinary Board (Board) did not err in

affirming the Third District Committee's findings that **Thomas H. Roberts** violated Rules 1.15(a)(3)(ii) and 1.15(b)(5) and sanction of a Public Reprimand with Terms. The Court held that Roberts violated Rule 1.15(a)(3)(ii) by unilaterally transferring client funds out of trust in partial payment of his fees notwithstanding the fact that his client disputed Roberts' claim to the fees and asserted a good faith interest in the trust funds.

On May 30, 2019, the Court affirmed the Admonition imposed by a three-judge circuit court against **Judith Mara Cofield**.

On May 10, 2019, the Court granted the bar's motion to dismiss **William Bryant Claiborne's** appeal of the two-year suspension of his law license imposed by a three-judge circuit court on October 11, 2018.

On July 29, 2019, the Court dismissed **Sammy Edward Ayer's** appeal of the Summary Order revoking his license.

On August 5, 2019, the Board entered its Order of Recommendation to the Supreme Court of Virginia that **Ann Bridgeforth Tribbey** be denied reinstatement of her license. The Board heard Ms. Tribbey's petition June 28, 2019. Ms. Tribbey consented to revocation on November 20, 2003, with disciplinary charges pending.

On April 29, 2019, the Court denied **Steven Frank Helm's** petition for reinstatement. Mr. Helm consented to revocation on April 1, 2011, with disciplinary charges pending. In late May 2019 Helm filed a motion for reconsideration, which is pending.

### B. Appeal Pending Before the Supreme Court of Virginia

On April 23, 2019, **Rhett Moore Daniel** noted the appeal of the Memorandum Order revoking her license to practice law effective February 22, 2019. The bar moved to dismiss the appeal because Daniel failed to timely file her opening brief and appendix. The bar's motion to dismiss Ms. Daniel's appeal is pending before the Court.

# Budget and Finance

---

## Marni E. Byrum, Chair

The Standing Committee on Budget and Finance met on January 17, 2019, to review and approve the staff's proposal for the FY 2020 operating budget. The budget approved by the Budget and Finance committee was reviewed and approved by the Executive Committee on February 22, 2019. On February 23, 2019, Bar Council considered, and unanimously approved, an operating budget of \$15.9 million for FY 2020. Chief Justice Lemons communicated the Supreme Court's approval of the budget, as submitted, on April 8, 2019, to Karen Gould, Executive Director and Chief Operating Officer.

The budget reflects an increase of approximately \$1.9 million over the budget for the prior fiscal year which ended on June 30, 2019. The increase is primarily due to the new Attorney Wellness Fund mandated by the Supreme Court of Virginia. This budget increase of approximately \$984,000, is a \$30 assessment per active member that will be collected by the bar and transferred to the Supreme Court. The FY 2020 budget also includes a 2.75 % salary increase and a 2.25 % merit increase. Both increases are effective June 10, 2019, which is the beginning of the first pay period for FY 2020. Also, computer and technology expenses are expected to increase approximately \$644,000 over the prior fiscal year.

The Standing Committee on Budget and Finance continues to evaluate the appropriate levels of reserves and dues for the Bar.

# Lawyer Discipline

---

## David J. Gogal, Chair

The Standing Committee on Lawyer Discipline (COLD) oversees the attorney disciplinary process, including the bar's investigation and prosecution of complaints. Members of COLD monitor and review the progress of investigations and prosecutions in each of the district disciplinary committees with VSB counsel and committee chairs. In addition, the oversight subcommittee randomly reviews case files to ensure that VSB counsel handled them in a procedurally correct manner. In FY 2019, there were approximately 89 random reviews. Specific files are also reviewed if complainants or respondents question the handling of a case. In FY 2019, there was only one such review.

COLD formulates and presents proposed amendments to Part Six, Section IV, Paragraph 13 of the Rules of the Supreme Court of Virginia, which governs the disciplinary process. Proposed amendments are published for comment and then presented to the Virginia State Bar Council, which decides whether to petition the Supreme Court for adoption of the changes. In FY 2019, Council approved COLD's proposed revisions to Paragraph 13 to improve the fairness, integrity, and efficiency of the disciplinary process. The revisions eliminate two "dismissal" sanctions that create a disciplinary record; clarify the procedures for dismissals de minimis and dismissals for exceptional circumstances; and enhance the transparency and uniformity of the VSB's disciplinary process while protecting the confidentiality of medical, psychological, treatment, and other sensitive information in public disciplinary proceedings; and ensure the Rules are consistent with procedure and practice. These proposals have been presented to the Supreme Court of Virginia for consideration.

The committee is comprised of ten attorneys, two laypersons, and the first vice chair of the VSB Disciplinary Board, who serves ex officio. In FY 2019, the committee met every other month beginning in July continuing through May. David J. Gogal, served as chair of COLD, James W. Hundley chaired the rules subcommittee, and Beverly P. Leatherbury, served as vice chair of COLD and chair of the oversight subcommittee.

COLD hosts the annual Disciplinary Conference which is attended by attorney and lay members of the district committees, the Disciplinary Board, COLD members, and judges who sit on three-judge circuit court panels that hear disciplinary matters. The programs at the conference are designed to provide education and updates on the disciplinary process to the volunteers serving in the disciplinary system. The FY 2019 conference was held at the Hotel Roanoke on July 26 and 27, 2018. Attendees included 138 members of district committees, the Disciplinary Board and COLD.

# Professionalism

---

## The Honorable David W. Lannetti, Chair

The Standing Committee on Professionalism is charged with the execution, administration, and ongoing oversight of the mandatory Harry L. Carrico Professionalism Course, which all newly admitted active members of the Virginia State Bar are required to attend. The purpose of the course is to encourage attorneys to uphold and elevate the standards of honor, integrity, and courtesy in the legal profession. Since institution of the program in 1988, over 41,500 new admittees have taken the course—significantly more than the current number of active Virginia licensed lawyers.

The course faculty is comprised of distinguished lawyers and judges representing a broad cross-section of the legal profession in Virginia. Faculty members are nominated by their peers, lawyers, and members of the judiciary. Based on the needs of the course, less than ten percent of the nominees are approved by the Standing Committee on Professionalism and invited by the Chief Justice to accept appointment for a single three-year term.

The course was offered a total of eight times during the 2018-2019 bar year as follows: three times in Northern Virginia; twice in Richmond; and once in Roanoke, Norfolk, and Charlottesville. There were approximately 1,200 attendees at these courses. The Committee noted the decline in attendance compared to previous years and presumes it was due to lower enrollment in law school (which now appears to have subsided, although course attendance necessarily lags law school enrollment). In addition, there was an all-day faculty training event each Fall for both new and returning members.

The Committee was privileged to welcome the Honorable B. Waugh Crigler, the Honorable Douglas E. Miller, the Honorable David J. Novak, the Honorable Rossie D. Alston, Jr., the Honorable Joel C. Cunningham, the Honorable Paul F. Sheridan, and the Honorable David B. Carson as luncheon speakers this year. Additionally, the VSB President—Len Heath, this year—delivered welcoming remarks to the attendees at each course, for which the Committee is grateful. The participation of judges and distinguished bar leaders in the course emphasizes to new Virginia lawyers the importance of learning and implementing the concepts taught in the Professionalism Course.

The Committee continues to oversee the administrative functions of the course, including faculty selection, course material updates, and faculty training sessions. As the Committee Chair, I also review course evaluations and strive to revise the course agenda and format in the spirit of continuous improvement. This year the Committee continued to update some of the hypotheticals used in the course workshops and added a few additional attorney wellness hypotheticals, and I have instructed all faculty

members to discuss one of the lawyer wellness hypotheticals during one of the workshops.

Finally, the Committee continues to work with the Professionalism for Law Students program co-sponsored by the VSB Section on the Education of Lawyers. This program has become a fixture at all Virginia law schools and has been skillfully led by Frank Telegadas and Susan Butler, with the help of their committed faculty.

It has been my pleasure to serve as Chair of the Committee this past year, and I look forward to continuing my service in this capacity.

Respectfully submitted,

David W. Lannetti  
Judge

# The Clients' Protection Fund Board

---

## Susan Bradford Tarley, Chair

The Clients' Protection Fund was established in 1976 to make monetary awards to people who have suffered financial losses because of the dishonest conduct of Virginia lawyers. The fund is managed by a fourteen-member board appointed by the Virginia State Bar Council. Board members investigate all petitions from clients for payments from the fund. The Board hears each petition and determines the amount of loss.

As of July 1, 2018, twenty-three (23) claims were pending from the previous year. In FY 2019, forty-four (44) new petitions were received. The total amount paid during 2018-2019 was \$132,303.48 representing twenty-five (25) claims. The Board denied seventeen (17) petitions, and twelve (12) petitions were rejected for not meeting the CPF rule requirements. One (1) claim was withdrawn by the petitioner and one (1) conditional approval claim was closed by the Board. As of June 30, 2019, there were eleven (11) pending claims. The Board reviewed and investigated forty-five (45) claims during the year.

The fund began the fiscal year on July 1, 2018, with a cash balance of \$9,765,666.08. The Clients' Protection Fund \$10 assessment from all active attorneys totaled \$329,250.00. Interest income for the fiscal year, totaled \$183,992.07. The fund received restitution from the attorney general's collections, debt set-off, and individual restitutions in the amount of \$16,069.49 net of attorney's fees for collection services. As of June 30, 2019, the cash balance in the fund is \$10,157,965.91.

The Board is to be commended for the many hours spent investigating and deliberating claims, and for the work of its various committees including the public awareness and strategic planning committees.

Appreciation is extended to retiring board members Donna Sue Baker, Adam D. Elfenbein, Margaret A. Nelson and Kenneth Murov after their years of service on the Board.

The Board welcomes Joseph Meek Bowen, Christopher Anthony Corbett, Brian Dean Lytle and Lisa Ann Wilson as new members for fiscal year 2019-2020.

# Mandatory Continuing Legal Education

---

## Christine L. Poarch, Chair

The Mandatory Continuing Legal Education Board (Board) was established by the Supreme Court of Virginia in 1985 to administrate the Mandatory Continuing Legal Education regulatory program (MCLE) in the interest of public protection. The Board is authorized to adopt regulations and provide general oversight of the program.

The MCLE Board consists of twelve members appointed for three-year terms by the Virginia Supreme Court. Karen Gould, Executive Director of the Virginia State Bar, serves as an ex officio member of the Board, Justice Stephen R. McCullough serves as the Supreme Court's liaison to the Board, and Demetrios J. Melis, Director of Regulatory Compliance for the Virginia State Bar, serves as the staff liaison to the Board.

<p><b>Karen A. Gould, Ex Officio Member</b> Executive Director Virginia State Bar</p>	<p><b>The Honorable Stephen R. McCullough</b> Supreme Court Liaison Supreme Court of Virginia</p>	
<p><b>Demetrios J. Melis</b> Regulatory Compliance Director &amp; Staff Liaison Virginia State Bar</p>	<p><b>Virginia MCLE Board</b> 2018-2019 Board Members</p>	

At the beginning of this year, we welcomed new members Henry L. Chambers Jr., Shukita L. Massey, and Scott A. Nerlino to the Board. Victoria Pearson resigned in

November and was replaced by Janet James of Virginia Beach. At the close of the year, two of our members completed their service on the Board: Lori Beth K. Galbraith and Zachary A. Kitts. The Board will miss their insight and dedication to the profession. I would also like to thank Kimberly Pierro for her service to the Board as Vice-Chair.

The Board met seven times during FY2019 at the VSB's Richmond office to consider course-approval applications, requests for extensions and waivers, and discuss broader programmatic matters. Over the last reporting cycle, the MCLE staff and Board considered approximately 20,000 course approvals, 37 waiver and extension requests. Attorney utilization of online MCLE certification remained steady at approximately 76%. This feature enables attorneys to post most of their certifications of attendance directly to their MCLE record and view their current MCLE record 24/7, saving time, money and effort for both lawyers and the MCLE department.

Much of the Board's policy efforts over the course of the past year focused on lawyer well-being. In response to the ABA's National Task Force on Lawyer Well-Being report issued in August of 2017 and co-authored by Chief Justice Lemons, the MCLE Board amended Opinion 19 on substance abuse, mental health disorders, stress and work/life balance topics renaming it "Opinion 19 Lawyer Well-being." The revised Opinion 19 makes clear that lawyer well-being topics will be considered for CLE credit, so long as other MCLE requirements are satisfied. The opinion provides examples of topics and programs that may receive regular CLE and ethics/professionalism credit.

In September of 2019 the Supreme Court of Virginia Committee on Lawyer Well-being released a report entitled "A Profession at Risk." The report contained two recommendations pertaining to the MCLE Board. The first recommendation required the Board to amend the MCLE regulations to authorize MCLE attendance and teaching credit to active members of the VSB who, on a non-compensated basis, prepare approved written materials or present approved instruction to judges or law students regarding professional health initiatives. The Board posted the amendments for comment and subsequently approved them on May 6, 2019 to be effective September 6, 2019.

To implement the second recommendation, the [Court adopted an addition to Paragraph 17 of Part Six, Section I](#) of the Rules of Court. Beginning in November 2019, active members will be required to affirm that they have attended at least one hour of lawyer well-being education within the past three (3) years. Failure to comply with this rule will not subject the member to the penalties of Paragraph 19.

As mentioned, the Board spent considerable time on the important topic of lawyer well-being and will continue to monitor how it can further contribute. Over the course of the past year, MCLE staff have implemented methods to more efficiently utilize the Board's regulations and opinions to evaluate courses, enabling the Board to focus more on larger programmatic and policy matters. The staff conscientiously provides institutional memory for the MCLE Board, even as members of the MCLE Board come and go over time and their recommendations are solicited and carefully weighed by the Board before every decision is made. Working collaboratively, the Board and MCLE staff members carry out the valuable function of the MCLE program. Finally, the MCLE Board is grateful for the assistance of the Executive Director of the Virginia State Bar, Karen Gould, who faithfully attended our meetings and provided valuable guidance to the Board in its deliberations.

### Meetings:

The Committee met in Richmond on 8/27/2018, 2/7/2019, and 4/18/2019 and during the joint Pro Bono Conference/Virginia Legal Aid Conference in Norfolk on 10/17/2018.

Over the course of the Bar Year, the Access Committee worked on a variety of access to justice issues through its subcommittees: Awards, Pro Bono Training/CLE, Alternative Delivery Systems/SRL, Rules, and Legal Aid Funding. During regular Access Committee meetings, subcommittees would report on their work and receive input from the entire Committee. Over the course of the Bar year, the Access Committee and its subcommittees discussed access to justice issues with numerous guests, including Len Heath, VSB immediate past president; James McCauley, VSB ethics counsel; John Whitfield, co-chair Virginia Access to Justice Commission and executive director, Blue Ridge Legal Services; Andrea DeMott, fellow, Virginia Poverty Law Center; Ann Brogan, Crowley, Libertore, Ryan & Brogan, PC; Palma Pustlinik, Central Virginia Legal Aid Society; Hon. Michael Charles Rosenblum, Chief Judge, Norfolk General District Court; Dee Norman, editor, Virginia Lawyer Magazine; and Frances White, Pro Bono Project Coordinator, Virginia Legal Aid Society.

### **Change from Special to Standing Committee of the Virginia State Bar**

On June 13, 2019 Chip Nunley and Joanna Suyes, on behalf of the Access committee, presented a bylaw amendment proposal to Bar Council requesting to make Access to Legal Services a standing committee of the Virginia State Bar. The proposal was unanimously approved by Council. [3] The committee name, purpose, size (15 members) and composition are now written into the bylaws. To be consistent with the composition requirements of other standing committees and to strategically enhance communication and collaboration with bar leadership, at least two members of the Committee must also be members of Bar Council. Given the significant coordination between the Access Committee, legal aid, and the courts on access to justice matters, the bylaw amendment also requires membership on the committee to include at least one member of the Virginia Access to Justice Commission; one staff attorney, director or executive director of a licensed legal aid society; and one director or executive director of the Legal Services Corporation of Virginia. The bylaw amendment solidifies the Committee as an essential part of the Bar's mission, achieves structural uniformity within the Bar, and is consistent with the majority approach taken by other mandatory state bars.

### **Voluntary Pro Bono Reporting:**

On February 27, 2018 the Supreme Court of Virginia approved the addition of Paragraph 22 to Part 6, Section IV of the Rules of the Supreme Court of Virginia, which requests that each active Virginia State Bar member voluntarily report their pro bono hours and/or financial contributions in support of pro bono legal services on their annual dues statement. The new voluntary reporting rule went into effect on December 1, 2018. The July 2019 VSB annual dues statement for the 2020 bar year incorporates voluntary pro bono reporting as new Section 5. Members can report online or by mail. Those renewing by mail can return the separate reporting form with their dues statement.

In response to the rule change, the Access Committee published a FAQ to help members understand the new rule and identify opportunities to contribute to pro bono. The first version was published on March 16, 2018, and was distributed to members in VSB news, posted on the Access Committee's Facebook page, printed in the April issue of Virginia Lawyer magazine, and distributed at various bar events and presentations. Additionally, the Access Committee coordinated with the Access to Justice Commission to procure a letter from Chief Justice Lemons reminding members of the new rule and

encouraging them to contribute, track and report their pro bono efforts, which was included in the June 2018 dues statement mailing. Chief Justice Lemons included a second letter in the June 2019 dues statement mailing. The Committee is involved in ongoing efforts to promote voluntary reporting and leverage the rule change to increase pro bono participation and financial support to legal aid and nonprofit pro bono service providers, including providing a series of presentations across the state, 19 of which were completed this year.

### **Limited Scope Appearance**

The Rules Subcommittee of the Access to Legal Services Committee met several times to discuss amendments to Rule 1:5 as proposed by the Advisory Committee on Rules of Court (ACROC) on December 1, 2017 (original proposal) and March 1, 2018 (revised proposal). At its February and June 2018 meetings, the Rules Subcommittee considered additional changes to make the rule more conducive to access to justice and pro bono, and subcommittee member feedback was incorporated into the Commission's comments submitted to ACROC's original proposal, which it submitted on March 1, 2018. Ultimately, ACROC adopted all but one of the Commission's recommended changes in the revised proposal it submitted to the Court. The Court adopted the proposal on October 31, 2018 as a pilot project in effect from January 1, 2019 through December 31, 2021. Amendments to Rule 1:5 (e) allow attorneys employed by legal aid and pro bono attorneys acting on a referral from legal aid offices to file notices of limited scope appearance for just a part of a pending litigation. The option comes with a right to withdraw once a lawyer has completed the limited scope representation. The amendments complement Rule 1.2 of the Virginia Rules of Professional Conduct and add transparency to the process within the courtroom. Other Virginia attorneys can make a limited scope appearance by seeking leave of court.

### **Other Accomplishments**

#### **Virginia.freelegalanswers.org:**

Virginia.freelegalanswers.org, the online, interactive, pro bono question and answer website hosted by the Virginia State Bar, celebrated its two-year anniversary on August 22, 2018. The Committee continued to support the Virginia Free Legal Answers portal through daily administrative functions of the staff liaison and year-round promotional engagements. Information about the portal was built into several Rule 6.1 and voluntary pro bono reporting presentations as part of the opportunities section. Additionally, two interactive CLE training events were held, one at the University of Richmond School of Law (the second annual training of such kind) and a recruiting event in Richmond at the Troutman Sanders office, which was also videocast to Virginia attorneys in the DC and Virginia Beach offices. Quarterly email updates were sent to volunteer attorneys containing helpful tips, reminders, website statistics, and volunteer recognition to increase engagement and interest. These efforts have resulted in significant growth in the number of clients (1301 registered clients), volunteer lawyers (369) and questions asked (1,160) and answered (1,093). Virginia.freelegalanswers.org has consistently had an attorney response rate of 94 percent, consistently putting us at the top of the nation in this category. An estimated 420 hours of pro bono service have been contributed to date.

#### **Free and Low-Cost Legal Resources in Virginia Pamphlet:**

In February 2017, the Access Committee published, on behalf of the Virginia State Bar, a pamphlet entitled "Free and Low Cost Legal Resources in Virginia". This eight-page

pamphlet is a guide for helping low-and modest-income Virginians find legal assistance and includes options for assistance by counsel and advice and counsel services for self-represented litigants. In the 2018 bar year, the Access Committee kicked off a partnership with the Diversity Conference to translate the Access guide into Spanish. This year, we completed the translation the Spanish-language version of the guide; next year we will print and distribute the guide to Qualified Legal Services providers and the courts.

#### **Conferences, Webinars, Seminars, Presentations, and Outreach:**

The 2018 Virginia State Bar Pro Bono Conference was held on October 17, 2018, in Charlottesville in conjunction with the Virginia Legal Aid Conference. This was the fourth time these events were held together, and attendees were welcome to attend sessions at either conference. More than 65 people participated in the conference, plus additional attendees from the Virginia Legal Aid Conference.

The Access Committee collaborated with Legal Aid organizations, law firms, non-profit legal services organizations, and bar associations to offer several webinars and seminars during the 2018-19 Bar year, most notably a series of local presentations and webinars to promote pro bono and the new voluntary pro bono reporting rule.

#### **Awards and Recognition:**

On October 17, 2018, during the Pro Bono Conference, the Committee presented the Lewis F. Powell, Jr., Pro Bono Award to Andy Nea. The Committee also presented the second annual Frankie Muse Freeman Organizational Pro Bono Award to Prince William County Bar Association. Committee Chair Chip Nunley was the master of ceremonies and VSB President Doris Henderson Causey gave the guest remarks. More than 250 people attended this event.

On June 14, 2019, during the Legal Aid Award Luncheon at the VSB Annual Meeting, the Committee presented the Oliver White Hill Law Student Pro Bono Award to Zachary McDonnell of William & Mary Law School and the Legal Aid Award to Palma Pustilnik, of Central Virginia Legal Aid Society. The Hon. William Mims, Justice, Supreme Court of Virginia provided guest remarks and VSB president-elect Brian Buniva emceed the event. More than 80 guests attended this event.

**Departing members:** Lonnie "Chip" Nunley; Razan Jamil Fayez; Rachel Erb Jones. The Committee wishes to extend its heartfelt gratitude and a tip of the hat to departing members. Their service was very valuable, and they will be missed both as colleagues and fellow Committee members.

**New Members (2019-20):** Donna Sue Baker; David Marks; Dale Pittman

**Officers (2019-20):** Jennifer Fulmer, Chair; Ali Fannon, Vice Chair

**Staff Changes:** In December 2019 Cameron Rountree joined VSB as the new deputy director, succeeding Renu Brennan. In January 2019 Sylvia Daniel began providing administrative support to Crista Gantz.

---

**1. RACHEL JONES RESIGNED FROM THE ACCESS COMMITTEE ON NOVEMBER 07, 2018 DUE TO A JOB CHANGE AND RELATED WORK LOAD CHALLENGES. THE COMMITTEE OPTED TO LEAVE HER SEAT OPEN UNTIL THE 2019-2020 BAR YEAR.**

# Future of Law

---

## Sharon D. Nelson, Chair

The Special Committee on the Future of Law Practice met in person four times this fiscal year. At its inception, in September 2014, the Committee was asked to make recommendations for further study by the Bar in an effort to illuminate the changing landscape of the practice of law, both to help educate lawyers and to help prepare them for a continually evolving future. To that end, an initial report was generated and posted to the Bar's website on September 15, 2016

([https://www.vsb.org/docs/FINAL\\_Report\\_of\\_the\\_Study\\_Committee.pdf](https://www.vsb.org/docs/FINAL_Report_of_the_Study_Committee.pdf)). Since that time, the Committee has undertaken to continue to read everything it could find on the future of law practice, including articles, ethics opinions, studies by other bar associations, etc. Recently, it has added artificial intelligence, blockchain and cryptocurrencies to the forces that are impacting law practice and, in addition, the profession has taken on a focus of well-being for the legal community; all of which are addressed in the Committee's updated report which was posted on the VSB's website on March 13, 2019 ([https://www.vsb.org/docs/2019\\_SCFLP\\_Report.pdf](https://www.vsb.org/docs/2019_SCFLP_Report.pdf)).

In addition, the following people possessed knowledge and experience of interest to the Committee, and they were invited and made presentations to the Committee to further its knowledge, this fiscal year:

- Christopher L. Newbold, Executive Vice President of ALPS Corporation and ALPS Property & Casualty Insurance Company
- Brandon Koeller, Principal Program Manager Lead at Microsoft
- Anette Aav, Director and Project Manager in the Information Technology Law Program in Tallinn, Estonia
- Jim Calloway, Director of the Oklahoma Bar Association's Management Assistance Program and Legal Services Consultant
- Reid Trautz, PMA with American Immigration Legal Association
- Erin Gerstenzang, LTRC's Women of Legal Tech

The following subcommittees of the Special Committee on the Future of Law Practice continued this year to study current issues affecting law practice:

- **Technology and the Practice of Law**—this subcommittee looks at advances in technology and how law practice is being changed by new technologies. It also studies how the Internet and other forces have created a market for non-lawyer legal service providers.
- **Access to Justice**—this subcommittee focuses on the “justice gap” - the unmet legal needs of a majority of low and middle-income

population despite an ample supply of lawyers in the U.S. It also studies initiatives by the organized bar and the efforts of other organizations to address the justice gap, including some projects in other U.S. jurisdictions to allow licensed paraprofessionals to deliver legal services.

- **Alternative Business Structures**—this subcommittee looks at jurisdictions outside the U.S. that permit nonlawyers to participate and have ownership in legal services firms, as well as the status of any similar initiatives or proposals in U.S. jurisdictions.

**In order to streamline efficiencies, and because technology issues are mostly what drive the activities of this Committee, the decision has been made to merge the Special Committee on Technology and the Practice of Law with the Special Committee on the Future of Law Practice; the new committee being called the Special Committee on Technology and the Future of Law Practice (SCTFLP). Issues related to access to justice will be handled by the Access to Legal Services Committee, from which SCTFLP will seek updates; and though this Committee is now concluded, SCTFLP will continue the work of this Committee, monitoring activities related to, and the evolving issues surrounding, ABS within the U.S and abroad.**

Current members of the Committee this past year include:

Sharon D. Nelson, Esq., Chair; Kellam T. Parks, Esq.; Brian Lawrence Buniva, Esq.; Marni E. Byrum, Esq.; Doris Henderson Causey, Esq.; Christopher R. Fortier, Esq.; Graham Keith Bryant, Esq.; Darius K. A. Davenport, Sr., Esq.; Leonard C. Heath, Jr. Esq.; Christy E. Kiely, Esq.; Mary Catherine Zinsner, Esq.; Michael W. # Lawyer Insurance

---

## David D. Hudgins, Chair

ALPS Property & Casualty Insurance Company is the VSB's endorsed professional liability insurance carrier. The Special Committee on Lawyer Insurance (LIC) continued its overview of ALPS's risk management endeavors and oversight of the VSB Members' Insurance Center's efforts to help VSB lawyers obtain and manage personal (health, life and disability) insurance.

The LIC met 4 times in FY2018-2019:

- September 18, 2018 Belle Haven Country Club, Fairfax, VA
- November 29, 2018 VSB, 1111 E. Main St., Suite 700, Richmond, VA
- February 21, 2019 Via teleconference
- May 16, 2019 VSB, 1111 E. Main St., Suite 700, Richmond, VA

## VSB Members' Insurance Center

The VSB Members' Insurance Center, led by Bob Spicknall, continues to enroll small law firms, often with only one employee, in health insurance. Since the fall of 2018, it established approximately 120 new groups totaling 226 insureds. These people now benefit from group health insurance that costs far less than individual health insurance. Bob reported in late April of 2018 that Virginia Senate Bill No. 672 had passed, which revises the definition of "small employer" for purposes of health insurance to include a self-employed person, effective July 1, 2018. Mr. Spicknall reported at the May 2019 meeting a 25% growth in the number of plan participants in the VSB Prudential Life Insurance Plan in the last 15 months. Bob specifically noted that "the infusion of new, healthy, underwritten people [in the program] improves the overall risk composition of the VSB Life Plan." He also reported that the overall plan did not receive a rate increase from Prudential. In addition, the VSB Disability Plan will not see a rate increase at the July 1, 2019 renewal date.

## ALPS and Lawyer Malpractice Insurance

ALPS operates on a calendar-year basis. As of **December 31, 2018**, there were 1,912 Virginia firms insured by ALPS, out of a total of 7,041 ALPS firms nationwide, and 3,943 Virginia lawyers, out of a total of 15,970 lawyers insured by ALPS nationwide. Gross written premium written in Virginia was \$9,831,565; net written premium was \$6,606,641. Net combined ratio in Virginia as of 12/31/2018 was 119.42%; claims

frequency was 3.67 in Virginia. Net combined ratio for ALPS overall was 99.91% as of 12/31/2018 with a claims frequency of 3.66%, and ALPS posted assets of \$125,899,461 with policyholder surplus of \$41,741,263.

**For the first quarter of 2019**, ALPS' Virginia book had \$3.5 million of gross written premium and net written premium of \$2.4 million. Virginia's net combined ratio was 79.87%, compared to ALPS 94.80%. ALPS total number of insured law firms nationwide in the first quarter of 2019 was 2,411 and 5,364 lawyers, of which Virginia insured law firms were 605 and insured attorneys were 1,427. As of March 31, 2019, claims frequency was 2.94% in Virginia compared to 3.36% for ALPS, and ALPS posted assets of \$126,815,429 with policyholder surplus of \$41,600,440.

#### 2018 Local Bar Grant Report

In December 2018, Chris Newbold of ALPS and the Grant Subcommittee of the VSB Lawyer Insurance Committee met and made decisions on which local bars were to be given grants and in what amounts. Five organizations made applications for grants. All received grants, but not all were given the full amount:

<b>Budget amount</b>				<b>\$10,150 total awarded</b>
<b>\$15,000</b>				

## Amendment to the VSB/ALPS Endorsement Agreement

The VSB and ALPS has been operating under the same endorsement agreement since 2000, which renews annually. At the request of ALPS, a minor change was made to the agreement to let ALPS Virginia employees telecommute from their homes in Richmond. The Lawyers Insurance Committee agreed to the changes, which were then approved by Council at its October 2019 meeting. The changes are indicated by strikethroughs for deletions and underlining for additions:

### 12. Personnel and Staffing

ALPS agrees to provide appropriate team support to staff and administer the Program. It is understood that ~~such~~ some staff will work out of ALPS home office, and ~~maintain~~ a physical presence will be maintained in Virginia as deemed appropriate and necessary. ~~When the gross written premium on the Virginia book of business reaches \$3,000,000, or on January 1, 2002, whichever occurs first, Unless otherwise agreed by the Committee and ALPS, ALPS will hire and retain on its staff in Virginia at least one claims attorney residing and licensed to practice in Virginia, and ALPS will hire and retain on its staff establish an office in Virginia such other employees residing in Virginia as are necessary for purposes of servicing the Program and, as ALPS management deems appropriate, such other parts of ALPS operation. as ALPS management determines appropriate. The parties further agree that coincident with staffing such office ALPS will recruit and place in training at least one claims attorney who is licensed to practice in the state of Virginia, and who will be assigned to the Virginia Office upon completion of training. The VSB Executive Director and ALPS will cooperate in determining when it will be appropriate to staff the Virginia Office.,~~

Paragraph 12 of the ALPS agreement now reads as follows:

### 12. Personnel and Staffing

ALPS agrees to provide appropriate team support to staff and administer the Program. It is understood that some staff will work out of ALPS home office, and a physical presence will be maintained in Virginia as deemed appropriate and necessary. Unless otherwise agreed by the Committee and ALPS, ALPS will hire and retain on its staff at least one claims attorney residing and licensed to practice in Virginia. ALPS will hire and retain such other employees residing in Virginia as are necessary to service the Program and, as ALPS management deems appropriate, such other parts of ALPS operation.

The ALPS staff located in Virginia remains the same. Chris Newbold, ALPS Executive Vice President, continues to attend the "live" LIC meetings in Virginia. Alison Riley has replaced Amy Esp as the ALPS support person for the CLE tour.

## Risk Management Report for Calendar Year 2018

The risk management budget, pursuant to the endorsement agreement between ALPS and the VSB, is 3% of gross written premium. ALPS maintains the risk management funds in its accounts pursuant to the endorsement agreement. The budget for calendar year 2018 was \$287,395 with additional revenue of \$12,300 attributed to non-ALPS attendee revenue from the Fall Tour, for a total of \$299,695. Expenses for calendar year 2018 came in at \$298,950.68.

### **Report regarding the Fall ALPS 2018 Tour**

Registration for 2018 was a total of 1,738, down from 2,017 in 2017. Attendees for the Fall 2018 tour totaled 1,510, which amounted to an average 80% attendance rate (versus those registered) across all venues. This is consistent with a downward trend for the last three years. The committee discussed what could be contributing to this trend: proliferation of CLEs by many providers at reduced costs; many programs have ethics integrated with subject matter relevant to attorneys' practices. People did not like the change this year from the vignette format; 3 straight hours of listening to talking heads was boring, as opposed to the previous format of 1 hour of small group discussions used to break up the format.

### **On-Demand Programming 4<sup>th</sup> Quarter 2018**

As of December 31, 2018, 15 programs existed in the Virginia on-demand library. They ranged in length from 45 minutes to three hours. Charges for the on-demand seminars were as follows: programs for one-hour program, \$35 for insureds, \$65 for non-insureds; two-hour programs, \$45 for insured, \$75 for non-insured; and three-hour programs \$60 for insureds, \$90 for non-insured.

**Quarterly Result Q4:** In Q4, ALPS had 238 Virginia registrants for on-demand programs, with 183 ALPS insureds and 55 non-insured.

**Calendar YTD Result 2018:** there were 528 Virginia registrants for on-demand programs, with 402 ALPS insureds and 126 non-insureds.

### **Risk Management Budget for Calendar Year 2019**

Revenue:

ALPS 3% contribution:	\$284,141
Non-ALPS attendee revenue from Fall Tour:	<u>\$ 9,700</u>
Total revenue projection:	\$293,841

Expenses: \$293,900

# Lawyer Referral

---

## Jack L. Harris, Chair

The Virginia Lawyer Referral Service (VLRS), was established in 1977 by the Virginia State Bar (VSB) to enhance and support one of its core missions – “to advance the availability and quality of legal services provided to the people of Virginia”.

In Fiscal Year 2019, the VLRS received and answered over 14,000 telephone calls, responded to 377 emails and provided 609 on-line request forms from those seeking its' services. The VLRS assisted 4,042 of those consumers with prescreened and prepaid referrals to its active lawyer panel members; resulting in \$170,310.00 of revenue for the Bar.

The VSB Special Committee on Lawyer Referral would like to thank the 300+ VLRS lawyer panel members for their (past and present) service to the bar and their communities. The VLRS was also pleased to welcome 44 first-time lawyer panel members this past year.

In addition to its special focus on significant revision of the VLRS Rules and improving awareness of VLRS services to the public and the Bar, the Committee's FY 2019 goals also included emphasizing the unique protections provided to consumers when they receive referrals to VLRS lawyer panel members, each of whom are VSB members in-good standing (private lawyers) and who carry legal malpractice insurance.

Those goals were met by:

1. Proposal and Adoption of Rule revisions for the VLRS. The rules adopted by the Special Committee on Lawyer Referral were approved by the VSB Executive Committee and Bar Council in Fall, 2018, and subsequently by the Supreme Court of Virginia on April 10, 2019 to become effective on July 1, 2020. The primary purpose of the Rules changes was to adopt a percentage fee funding model for the VLRS, a model which places VLRS in the mainstream of statewide lawyer referral services across the country and which should assure the VLRS of sufficient funding to properly market the service to the public, to meet the public's access needs, and to bring the service to funding self-sufficiency after many years of VSB subsidization.
2. Enhanced Marketing Campaigns for VLRS. The Committee members and VLRS staff have conducted onsite lawyer panel membership promotion in coordination with the VSB Access to Legal Services Director at the following: 49<sup>th</sup> Annual VSB Criminal Law Seminar in Charlottesville & Williamsburg (February 2019); Conferences of Local and Specialty Bar Association (CLSBA) & the Solo and Small-Firm Forum in Wytheville (October 2018), in Suffolk (March 2019) & in Fredericksburg (May 2019); VSB Techshow in Richmond (April 2019); Bar Leaders Institute in Richmond (April 2019); VSB 81<sup>st</sup> Annual Meeting in Virginia Beach (June 2019); and the VSB YLC

Admission & Orientation Ceremony in Richmond (June 2019). At the onsite promotions, VSB members with 5 or less years of VSB membership were offered a 1-year free VLRS panel membership with paid consumer referrals. The VLRS was also excited to display our new VLRS promotional floor and table banner signages.

With the assistance of the VSB Communication Department the VLRS has run semi-monthly VSB *Virginia Lawyer* magazine ads - "*Virginia Lawyers: Do You Have More Business Than You Can Handle?*" (August & October 2018); "*Potential Clients are Looking for Virginia Lawyers*" (December 2018 & February 2019); "*Thank You*" list of all VLRS current lawyer panel members (April 2019); "*We take the calls, you get the clients*" (June 2019)

To enhance awareness of the consumer services provided by VLRS to more consumers, we have highlighted differing law topics through the use of social media advertising, including Bankruptcy (March 2019), Family Law-Divorce & Custody (March 2019), Estate Planning (April 2019), Criminal Law-Traffic Defense (May 2019); Civil Disputes (May 2019); and Juvenile Law (June 2019) - reaching over 62,000 consumers and receiving over 6000 "*Likes*".

3. Partnerships. The VLRS assisted the VSB Young Lawyers Conference (YLC) Emergency Legal Service (ELS) in response to Hurricane Florence in August 2018; and the Catholic Charities of Eastern Virginia (CCEVA) by providing free lawyer referrals to persons affected by the hurricane and to those victims' families and survivors of the Virginia Beach shooting in June 2019. The VLRS Staff also had an informational and strategic meeting with the Virginia Bar Association (VBA) on February 12, 2019 to discuss how to best assist callers that reach out to both agencies seeking legal assistance.

The Special Committee on Lawyer Referral met on Thursday, August 9, 2018 and Monday, March 4, 2019.

# Resolution of Fee Disputes

---

## Alex Simon, chair

The Virginia State Bar resolution of fee dispute program (RFD) was created as a voluntary program to help attorneys and clients resolve disputes over fees and costs paid, charged, or claimed for legal services provided by a member of the Virginia State Bar (VSB) through mediation or arbitration. Our program volunteers include 12 circuit chairs, 168 arbitrators, and 48 mediators.

The RFD program benefits VSB members and the public by reducing needless litigation, spurious bar complaints, and Clients' Protection Fund petitions.

During FY18-19, the RFD program conducted fee dispute resolution CLEs sponsored by the Henrico County Bar Association and the Norfolk-Portsmouth Bar Association. Plans are underway for fall training which will take place in October 2019 to train new and existing RFD arbitrators and mediators.

The VSB RFD received 209 requests for information during fiscal year 2018-2019.

Of those 209 requests:

- Petitioners returned 81 agreements to circuit chairs for processing (60 from clients, 21 from attorneys);
- 35 of those agreements were accepted by the respondent;
- 15 attorney respondents declined to participate;
- 4 cases were settled prior to mediation or arbitration; and
- 28 cases went to RFD: 18 cases are complete (8 mediations and 10 arbitrations), 9 mediations and 1 arbitration are pending.

**NOTE: Does not include statistics for circuits 9, 15, 19 and 28.**

Geographical breakdown of requests:

- 21% were for attorneys practicing in eastern Virginia (circuits 2, 3/4);
- 39% were for attorneys practicing in NOVA (circuits 16, 17/18, 19, 31);
- 30% were for attorneys practicing in central Virginia (circuits 9/15, 12/13/14); and
- 10% were for attorneys practicing in south/southwestern Virginia (circuits 10, 23, 24, 28).

Members of the Special Committee on the Resolution of Fee Disputes for 2018-2019 were Alex Simon, chair, Steven G. Owens, vice chair, Alan S. Anderson, Caroline E. Browder, Edward S. Whitlock, III, David A. McKelvey, Robert P. Stenzhorn, Thomas Gallagher, and John J. Mable.

# Technology and the Practice of Law

---

## Kellam T. Parks, Chair

The mission of the Special Committee on Technology and the Practice of Law is to educate and advise the Bar and the public, in areas where law and technology intersect. During the past year, the Committee has continued to meet once per month by telephone conference call and gathered once in person for an annual meeting in Richmond. Frequent meetings have allowed us to share ideas and maintain forward progress on a number of activities. This year's activities included:

- Continuing to update CLE materials related to technology and the practice of law to share with Bar associations and present with our members when requested
- Submitting articles to the Virginia Lawyer
- Gathering information from all courts in Virginia as to their technology policies for lawyers and the public, as well as what technology they have available for lawyers' use in the courtroom. The end goal is a master spreadsheet to publish on the Committee's VSB Website. The Committee is working with the Committee on Self-Represented Litigants on this topic and has consulted with the Virginia Supreme Court due to their recent model policy
- Volunteering to assist in the Virginia-wide E-filing initiative explored by the Legislature
- The creation of a Cybersecurity Guide for the VSB

The Committee is being merged with the Future of Law Committee moving forward by the design of the newly-elected VSB President, Marni Byrum.

Current Members of the committee: Charles Molster III, *ex officio*; Kellam T. Parks (chair); Emily Hedrick (VSB staff); Hyatt Shirkey; Andrew Dean; Erin Hapgood; David Bice; Brandon Fellers; Brittany Johnson; Robert Bauer; David Bice; Brandon Osterbind; Beth Waller; and Lisa Brook.

# Conference of Local and Specialty Bar Associations

---

## Charles M. Lollar, Chair

Mission: Local and specialty bar associations in Virginia comprise the Conference of Local and Specialty Bar Associations. The conference was established to maintain a mutually beneficial relationship between the VSB and the local and specialty bar associations in the Commonwealth. It sponsors a Bar Leaders Institute each year to help new local and specialty bar officers plan their bar year and assists them with ethical issues, various programs and internal management policies and procedures; sponsors Solo & Small-Firm Practitioner Forums open to all VSB members; sponsors awards of merit, a Local Bar Leader of the Year Award, Specialty Bar Leader of the Year Award, and Bar Association of the Year Award; maintains an information database; and makes executive committee and staff members available for technical assistance or presentations to local and specialty bars. The conference publishes The Connection online newsletter with information of interest to bar leaders. The CLSBA also edits, prints and distributes the So You're 18 handbook, and created the [www.soyoure18.com](http://www.soyoure18.com) website, which is used by many groups to inform young adults of their rights and responsibilities upon turning 18.

The Bar Leaders Institute was held at the Lewis Ginter Botanical Garden on April 12, 2019. The Honorable Roger L. Gregory was the keynote speaker. There were 63 registrants for this program. Topics for the day included Nuts and Bolts, Resources, and Social Media for Bar Associations; a Projects Showcase; Pro Bono Initiatives for Bar Associations; and Ethics for the Bar Leader. We would like to thank the BLI subcommittee that put together another phenomenal program – Chris Mougine-Boal, Sandra Chinn-Gilstrap, Luis Perez, and Marcus Scriven. The newly appointed subcommittee for 2019-20 is already planning the 2020 BLI, which will be held Friday, March 6, 2020, in Richmond.

A. **2018 Law School Mentor/Mentee Initiative – VSB Annual Meeting**

For the fifth year, the Diversity Conference invited law students from each Virginia law school to attend the 2018 VSB Annual Meeting in Virginia Beach. Under this Initiative, Deans of each of the respective law schools in Virginia select two of their outstanding students whom they feel reflect their schools' respective diversity goals and excellence in studies. Each of the law students were paired with at least one practicing attorney from the Diversity Conference who served as mentor to the student at the Annual Meeting. The students were invited to participate in all Annual Meeting events. The Law Student Mentees attended many of the showcase CLE sessions, the presentation of the Dunnville Diversity Achievement Award, other plenary programming, sports activities, law school alumni breakfasts and various networking opportunities with their mentors. This year, the students and their mentors were presented to the Virginia State Bar membership at the Diversity Conference opening reception on Thursday afternoon where they were welcomed by the VSB President, Len Heath, the Incoming President, Marni E. Byrum and had the opportunity to meet with many members of the Bench and Bar. Sixteen dynamic law students attended the Annual Meeting under this initiative this year and they were enthusiastically welcomed by members of the Bench and Bar in attendance at each of events in which they participated.

B. **Diversity Conference First Annual Forum on Diversity in the Legal Profession**

The Diversity Conference held its First Annual Forum on Diversity in the Legal Profession on November 9, 2018, at the University of Richmond School Of Law. It was a great program where we had a presentation from the Virginia Supreme Court Justice

Cleo C. Powell on the impact of diversity in the administration of justice in Virginia; a presentation on implicit bias and how it affects our day to day decision-making process and the practice of law, presented by TV celebrities Judges Dana and Keith Cutler; and a presentation on best business practices and how diversity and inclusion can be a business asset, presented by a panel of government, business and law firm employers. The program was well attended and the reviews very positive. We are already looking forward to our second forum to be held on September 20, 2019 at the William & Mary Law School in Williamsburg, Virginia.

C. **Showcase CLE “Immigration: Contradictory or Complementary to the Rule of Law?”**

On Friday morning, June 14, 2019 at the annual meeting the Diversity Conference presented a showcase CLE on the topic “**Immigration: Contradictory or Complementary to the Rule of Law?**” This program explored certain hot topic issues in immigration law today from a balanced and politically neutral point of view. The speakers covered the intersections between immigration law, implementation of those laws, and the moral basis of decisions relating to the enforcement of those laws. A panel of experts in the field of immigration law which included Jacob Tinger, adjunct professor at the University of Richmond School of Law and managing partner at the law firm of Tingen and Williams; Lisa Johnson-Firth, adjunct professor of law at Georgetown University Law Center and principal at the Immigrants First Law Firm; George Fishman, Deputy General Counsel for the Department of Homeland Security; and Davinson M. Douglas, Dean, William & Mary at Law School, engaged in the discussion of issues that have been part of the daily news cycle for months, such as DACA, border detention policies (including family separation), refugees, and tensions between federal and state or local law, such as “sanctuary cities”, and whether the interpretation, implementation and enforcement of immigration regulations and policies relevant to these topics are contradictory or complementary to the rule of law. The event took place at one of the ballrooms at the Hilton Ocean Front and was well attended.

D. **Diversity Conference Welcome Reception**

On Thursday, June 13, 2019 the Diversity Conference hosted for the first time a welcome reception at the Virginia State Bar Annual Meeting open to all meeting attendees. The event was a big success and the attendance exceeded all expectation. This was a great opportunity for the law students to meet and socialize with members of the bar, VSB council members, Judges and bar leaders and for the attendees to learn more about the Diversity Conference mission and programs. It was a family friendly event, with popcorn, hot dogs and nuggets for the children as well as other adult favorites.

# Senior Lawyers Conference

---

## Carrollyn C. Cox, Chair

This has been an active year for the Senior Lawyers Conference (SLC). Membership as of last count stood at 20,255. All lawyers licensed in the State of Virginia over the age of 55 years are automatically members of the SLC.

The Senior Law Day programs is flourishing, with two Past Chairs of the Board of Governors of our Conference (Bruce Robinson and Robert Hawthorne, Sr.) dedicating a great deal of energy in refining the program to make it easier for local bar associations to plan and present their own Senior Law Day program. For those bars wanting more assistance, these fine gentlemen will bring the entire program to localities, leaving the local bar the responsibility for as much or as little of the planning and presentation of the event as that group is willing to provide if the program provides the location and any food to be served. This popular program utilizes the Senior Citizens Handbook that is a publication of the SLC.

Building on discussions at SLC board meetings over the past few years, the update of the handbook is underway and all members of the VSB are encouraged to submit information on their area of expertise. One of the newest members of the Board of Governors, Barbara Anderson, has stepped up to undertake the large task of coordinating submissions for each subject covered by the Handbook.

ProBono Chair, John Oakey, has encouraged us, told us war stories about his end of career shift to pro bono legal assistance in domestic relations cases, and guided those of us who answered his entreaties to devote at least a portion of our time to assisting legal aid societies with the overflow of cases in need of a lawyer.

In keeping with the VSB and Supreme Court of Virginia's focus on life and practice balance and the increasing levels of stress and substance abuse of lawyers, the SLC Conference Board of Governors is co-sponsor of 3 CLE events focused on assisting with "Lawyer Wellness," two of which were presented at the Annual Meeting. The third, a VaCLE live and televised CLE on Lawyer Mentoring, will be first presented in August, 2019. In addition that CLE, the Senior Lawyers Conference is still in the early stages of creating a Mentorship program, with cooperation from the Young Lawyers Conference and others.

The SLC sponsored the April 2019 edition of *Virginia Lawyer* magazine, contributing articles and being featured on the cover.

The SLC sponsored a brunch for the presentation of recognition for the members of the Virginia State Bar who have been members for 50 years. The brunch was held on Saturday, June 15, 2019 as part of the VSB Annual Meeting. Two hundred seventy-three lawyers reached the magic number of fifty years of practice before the bar and 35

were present to be recognized for their achievement of this important milestone in a career serving the public.

The chairmanship of the SLC this year would not have been possible for me, had it not been for Stephanie Blanton, our former liaison to the VSB and Sylvia Daniels, new liaison who stepped in to Stephanie's shoes early in the year, and the active support and encouragement of the entire SLC Board and VSB staff. Thanks to you all.

## Brian T. Wesley, Chair

The Young Lawyers Conference (YLC) of the Virginia State Bar (VSB) encompasses all lawyers under the age of thirty-six (36) or within their first three (3) years of practice in their primary bar. As of July 1, 2019, the YLC had 9,844 members. The following Annual Report covers YLC activities during the year, including our contributions to priority initiatives, and highlights programs that thrive to educate and serve the legal profession and the greater community.

On behalf of the YLC Board of Governors (Board), we thank all volunteers, program chairs and district representatives, who have devoted time and energy into making this an active and successful bar year and one of the best young lawyer organizations in the country. The Board would also like to extend its sincere appreciation to the staff and leadership of the Virginia State Bar, especially our liaisons, Lauren Parrish and Mallory Ralston, who work tirelessly to support the efforts, initiatives and programming of the YLC.

### 2018-2019 Priority Initiatives

# Business Law

---

## Matthew A. Clary, III, Chair

### Membership:

In June 2019, the Business Law Section (“Section”) had approximately 1,911 members, an increase of 69 over the prior year. The Section is the 6th largest of the twenty sections of the Virginia State Bar.

### Significant issues that arose and how they were resolved:

Having expanded the Board at the inception of my term, we turned our attention this year to stepping up our sponsorship of CLE presentations pertinent to the Section’s membership and geographically more diverse. The Board’s consensus was that Section-sponsored CLEs, each of which were recorded and available for replay through Virginia CLE, provided a distinct value to Section members and could attract further members. The success of our efforts is discussed below under CLE Programs.

### CLE Programs:

#### 45th Annual Advanced Business Law Conference (Sept. 7-8, 2018), Wintergreen Resort:

The Section again co-sponsored the two-day Annual Advanced Business Law Conference along with Virginia CLE. This year’s conference was entitled “Business Lawyering in the Innovation Economy: New Business Models + More Regulation = Opportunities and Challenges for Company Counsel.” Section board members Steve Keeler and Karl Knoll participated as authors and speakers and the conference was moderated by Chair, Matt Clary.

#### 30<sup>th</sup> Annual Business Law Seminar (March 8, 2019), Fairfax:

Chair, Steven J. Keeler; Vice Chair, Karl T. Knoll; Secretary, J. Brent Justus; and Immediate Past Chair, Matthew A. Clary, III

## Ronald A. Page Jr, Chair

The General Practice Section continues to serve the needs of attorneys in the general practice of law and has done so since 1986. We continue to conduct legal education seminars and other activities to enhance the skills of Virginia lawyers.

As it has done in the past, the General Practice Section co-sponsored with the Young Lawyers Conference a seminar called the First Day in Practice Seminar in Richmond. The program provided a full day of seminars in twelve areas of the law and was tailored to lawyers who have just been admitted as members of the Bar to assist them as they embark on their new profession. The speakers were highly experienced in their fields, and we also enjoyed the participation of both active and retired judges from around the Commonwealth.

In addition, the General Practice Section presented its annual Tradition of Excellence Award, which recognizes an outstanding lawyer who embodies the highest tradition of personal and professional excellence in the practice of law in Virginia. This year the award was presented to J. Randolph "Randy" Nelson of Lynchburg, Virginia. Randy was presented the award at the Annual Meeting of the Virginia State Bar, and the General Practice Section is proud to have such an esteemed and distinguished recipient for this year's award.

At the beginning of the fiscal year, there were 867 attorneys/members. Our budget for the fiscal year 2018-2019 was \$16,568.00.

# Taxation

---

## Craig D. Bell, Chair

The Virginia State Bar's Taxation Law Practice Section had approximately 740 members throughout the July 2018 – June 2019 fiscal year.

The Tax Law Practice Section stabilized and put forward a number of activities and events during the 2018-2019 fiscal year.

We are close to standing up a slate of governors representing all areas of Virginia. Six governor representatives from the Tidewater-Hampton Roads, Central Virginia, and Western Virginia areas agreed to serve as new governors. Two additional candidates are being sought from Northern Virginia. When complete the new board of governors will be appointed to their terms of office. The new governors will represent a diversified tax practice including in-house tax counsel, private tax practitioners from small, medium and large law firms, and a representative from a Low-Income Tax Clinic. The focus of section activities will be on both transactional tax matters, as well as federal, state and local tax controversy practice areas.

During the past fiscal year, the Tax Law Section served as co-sponsor of the William & Mary Law School Tax Conference. The section had several of its members serve on the Program Committee for the Tax Conference and five of its members made presentations at the three-day conference held at the Kingsmill Resort in Williamsburg on November 7-9, 2018. Approximately 160 lawyers and accountants attended the tax conference. The section also provided financial support for the program.

The Tax Section also served as a co-sponsor of the University of Virginia Federal Tax Conference held in Charlottesville on June 6-7, 2018. Again, our section was active in planning the content for the conference as well as providing multiple speakers for the two-day event. The section also provided financial support for the program. The program was well received, with approximately 155 attendees hosted at UVA's Law School.

For the first time in many years, the Tax Section (in conjunction with the Real Property Section and the Trusts and Estates Section) co-sponsored a CLE titled "The Grim Reaper: Death, Taxes and Real Estate" at the Virginia State Bar's 81<sup>st</sup> Annual Meeting in Virginia Beach, Virginia. Our section's representative on the panel was Brad Riddlehoover (McGuireWoods LLP).

While the Tax Section accomplished a number of worthwhile and helpful activities during the fiscal year, I do want to let you know that we are seeing a troubling trend for those of our members who regularly appear before the U.S. Tax Court when the court travels to Virginia. The U.S. Tax Court traditionally comes to Richmond and Roanoke twice a year, typically in the Spring and Fall seasons. When holding court in Richmond, the Tax

Court is provided a courtroom and Marshall Service protection in either the U.S. Court of Appeals for the Fourth Circuit or in the Eastern District of the U.S. District Court. Both facilities have ample space to accommodate court personnel as well as the parties, counsel, and witnesses. Over the past few years a developing problem occurs when the U.S. Tax Court is not able to hold court at its regular terms in Richmond and having to move and hold court in other jurisdictions, including Charlottesville and Newport News where there is a federal court in order to conduct the U.S. Tax Court's docket and trial sessions.

When a taxpayer files his or her petition with the U.S. Tax Court, the taxpayer is afforded the opportunity to select the location for the trial. Richmond and Roanoke are the only two options provided for Virginia, and plans are made accordingly. When subsequently these taxpayers are notified of their trial date about three-five months before trial, the taxpayer is advised to go to another Virginia city. Upon inquiry, I am told the Tax Court is informed no court rooms are being made available on the scheduled trial dates. On several occasions when this occurs the Virginia tax controversy bar is left wondering how this happens given the existence of a new large U.S. District Courthouse in Richmond and a full city block appellate courthouse. For over twenty-five years the scheduling problems never occurred. However, the past two years in a row, the problem exists. We will continue to monitor the situation and reach out to the respective courts to see how this lack of court room availability might be avoided for future sessions of the U.S. Tax Court. However, as I write these remarks, I received six notices of trial from the U.S. Tax Court advising me these six cases will be held for trial in Charlottesville and not Richmond. The problem appears to becoming systemic....
